

Do you know
up to 80% of women
in later life
suffer one or more
of the following?

- Vaginal dryness, burning or itching
- Uncomfortable sexual health
- Recurring thrush and/or UTI's
- Urinary leakage or stress incontinence when coughing/exercising/sneezing etc
- Vaginal laxity from childbirth
- Labia laxity from childbirth or menopause

So, you are not alone...

We can help!

The minimally invasive FemTouch™ gently and comfortably restores vaginal health. FemTouch™ is only available at epiclinic® (Accredited Australian Council on Healthcare Standards)

How does Femtouch™ work?

Femtouch™ regenerates the natural lining of the vaginal canal, and the surfaces of the labia returning natural sensation, reducing annoying and embarrassing symptoms and giving back everyday confidence.

Talk to our sensitive and caring female staff in confidence today about Femtouch™
